Adam,

Ms. Smith was a long term employee in good standing until she developed health conditions. She soon after began being written up and ultimately terminated. The timeline doesn't look good for your client. I appreciate your client's interest in early resolution. My client is also interested in early resolution. She has authorized me to communicate an offer of \$80,000.

Very truly yours,

Adam the demand is \$125,000. I see now that it was left out of the demand. My understanding is that there was no request for a longer leave.
